Sir,

I have the honour to bring to your notice that in the revision of the Establishment of the Krishnarajendra Hospital Mysore the Government in their order no G. 26740-1 Med 17-18-8 dated 27th May 1920, raised the pay of the Matron of the Krishnarajendra Hospital from Rs 70-5/2-90 to 150-10-150 with a view to obtain the services of a Nurse with European training. Though I have tried all these months to get a Nurse with European training for the post, I have not been able to secure the service of any one. The need of a Matron is urgently felt at this Hospital as the present acting Matron is unable to cope with the work. She has definitely written to me so. Under these circumstances I have posted Nurse Mrs D.A. Curtis, Head Nurse of the Victoria Hospital Bangalore as acting Matron of the Krishnarajendra Hospital Mysore pending the sanction of Government.

Mrs Curtis is a very reliable Nurse and of good moral Character. She understands all the details of the operation theatre and of the management of the nursing staff. She is also conversant with Tamil and to a small extent with Kanada. She has been the matron of the Civil Hospital at Mercara and she

Sir,

In reply to your letter No.G.16884/Med. 9-20-10 dated 1st March 1921, I have the honor to state that an advertisement for the post of matron of the Krishnarajendra Hospital, Mysore, was published in the marginally noted news papers (vide Chief Secretarys No.G.2773-5 AD&S, dated, 4-8-20) with the result that only 2 applications were received in response to the advertisement . But when they were asked to appear in person with their diplomas and testimonials, they neither cared to reply nor appear in person.
